French in Mexico, and in Mr. Corwin's singular conduct in Mexico-the exact facts in the case

are not likely to appear at present. St Louis, Dec. 30 .- An advance copy of the Governor's message was published this afternoon. After congratulating the Legislature and State upon the fact that at last a loyal General Assembly is convened, the Governor reviews the condition of the State since the outbreak of the rebeltion, and says the number of volunteers from Missouri, after casualties of war and mustering our irregularly enlisted troops, is 27,500; which, with 10,500 State militia, gives a total force of 38,000 now in service for the war. Enrolled militia, 52,000-which gives the State a grand

should emergency arise. The Governor treats finances and the condition of milroads at length, and urgently recommends Silver 122. Exchange is dull at 1/2 discount to the Legislature to adopt measures to restore the par selling. State credit and reduce the State debt consistent with good faith toward holders of State bonds. complete railroads vet at finished and secure in terest to private stockholders.

On the subject of emancipation the Governor says he has long been convinced that the material interests of Missouri would be advanced by at \$5 80@5 95 for superfine State, \$6 15@6 30 substituting free for slave labor, and recom- for common to choice extra State, \$5 85@5 90 mends a plan by which the children of slaves for superfine Western. born after the passage of the act shall be free. but to remain under the control of their own | 3846@39. ers and their mothers until they have arrived at minished value-slave mothers being thus ren dered incapable of bearing slaves.
